Description

Majedie Investments PLC is an Investment Trust listed on the London Stock Exchange. It was founded in 1910, obtained Investment Trust status in 1985, and, from 2014, has been a self managed AIF under UK AIFMD.

Following a general meeting Marylebone Partners LLP (MP) were appointed as the investment manager following the adoption of a new investment objective and policy.

Under the new objective and policy, the Company will target annualised total returns of at least 4% above the CPI measured over rolling 5 year periods. The total return will include annual dividends, paid quarterly, of approximately 3% of NAV.

The investment approach includes three core strategies, comprising special investments, allocations to specialist funds managed by 3rd parties and a focused portfolio of listed equities. Following the general meeting, the transition to the new portfolio commenced with the sale of the UK equity portfolio and purchase of direct equities. The transition will be largely complete by 1 March 2023.
